Allowable Subject Matter

Claims 2, 3, 5-7, 12, 13, and 15-17 are allowed.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The prior art of record fails to show or render obvious a drive system for an imaging device as defined in claims 1, 2, 6, 7, 12, 13, 16, and 17 wherein the clutch release mechanism has the claimed first, second, and third rings connected and operating as recited in these claims. The art of record also fails to show or teach a drive system for an imaging device as defined in claims 5 and 15 wherein the clutch release mechanism includes a ramp and clutch handle as recited in these claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Drawings

Since claims 8 and 18 have been canceled, the objection to the drawings for failing to show the subject matter of claims 8 and 18 is moot. The objection to the drawing is withdrawn.
